## Individuals for whom tax relief may be claimed

You may claim a refund of tax in respect of medical expenses paid or incurred by you, on your own behalf or on behalf of any other person (no restrictions).

A personal representative of a deceased person can claim for medical expenses incurred by the deceased. Such expenses are treated as if they were paid immediately before the death of the deceased person and form part of the estate. However, if another individual has paid expenses on behalf of the deceased individual that individual can claim relief on the basis of when the expense was incurred subject to the time limits listed below.

### Qualifying medical expenses

The headings under which expenses qualify are listed on Page 2 of this form. You must have paid or incurred the amounts claimed on treatment prescribed by or on the advice of a qualifying practitioner. Drugs and medicines can only be claimed where supplied on the prescription of a qualifying practitioner.

#### Nursing Homes

If the claim relates to the year 2010 and subsequent years of assessment the nursing home in question must provide qualified nursing care on-site on a 24 hour per day basis.

#### Maternity Care

The cost of providing routine health care in respect of pregnancy is allowable.

#### In Vitro Fertilisation (IVF)

IVF may be regarded as treatment in respect of infertility and relief may be allowed in respect of the cost of this treatment where the treatment is carried out by a qualifying practitioner.

#### Educational Psychological Assessment for a dependent child

Must be carried out by an educational psychologist who is entered on a register maintained by the Minister for Education and Skills for the purposes of this relief in accordance with guidelines set down by that Minister.

#### Speech and Language Therapy for a dependent child

Must be carried out by a speech and language therapist who is approved for the purposes of this relief by the Minister for Health in accordance with guidelines set down by that Minister.

#### Consumable products

Relief can be claimed for the costs incurred on products manufactured specifically for coeliacs and diabetics where this expenditure is incurred on the advice of a qualifying medical practitioner.

#### Non-Routine Dental Expenses

You must hold a completed Form Med 2 (Dental), signed and certified by the dental practitioner when making a claim for non-routine dental expenses. A full list of qualifying treatments is listed on the reverse of the Form Med 2 (Dental) which is available from your Dental practitioner or from [www.revenue.ie](http://www.revenue.ie)

### Expenses that do not qualify

- ♦ The cost of sight testing and the provision and maintenance of spectacles and contact lenses.
- ♦ **Routine dental treatment** which is defined as 'the extraction, scaling and filling of teeth and the provision and repair of artificial teeth and dentures'.
- ♦ Cosmetic surgery unless the surgery or procedure is necessary as a result of a physical deformity arising from, or directly related to a congenital abnormality, personal injury or a disfiguring disease.

### Receipts for expenses claimed

Please ensure that you only claim for amounts for which you hold receipts (and Form Med 2 if the claim includes non-routine dental expenses). **Please do not send in the receipts (or Form Med 2) to Revenue with your claim.** However, you must keep the receipts (including Form Med 2) for a period of 6 years as you may be asked to send them in if your claim is chosen for a detailed examination.

#### Deductions for sums received or receivable in respect of Health Expenses

You cannot claim relief in respect of refunds already received or due to be received from:

- ♦ Any public or local authority, e.g. Health Service Executive
- ♦ Any policy of insurance
- ♦ Any other source, e.g. compensation claim.

You must give details of such amounts and deduct them from the amount claimed on the claim form.

**Drugs & Medicines:** From 1 January 2013 you can claim tax relief for expenditure of amounts up to €144 per calendar month for prescribed medication. Expenditure in excess of €144 per month is recoverable from the Health Service Executive under the Drugs Payment Scheme. The amounts recoverable for years prior to 2013 are as follows:

- ♦ 2010 - €120
- ♦ 2011 - €120
- ♦ 2012 - €132

Where an individual has been prescribed drugs or medication which are outside the Drugs Payment Scheme these should be claimed in addition to the €144 monthly threshold. In circumstances where an individual is claiming for another person, other than their spouse, civil partner or children, that other individual's personal threshold of €144 per month should also be applied to any amounts of related expenditure.

## **Income from other sources not subject to PAYE**

Income derived from all sources must be declared (e.g. taxable payments received from the Department of Social Protection (DSP) (including Illness Benefit for the full year and Maternity Benefit from 1/7/2013 to 31/12/2013), Investment/Foreign Income or Foreign Pensions received). Please list details of this income on a separate sheet.

## **Year for which you claim**

Relief is normally claimed for expenses **paid** in each tax year (1 January to 31 December). However, you may elect to claim in respect of expenses **incurred** in the tax year even though they may be paid later. If you so elect, **all amounts claimed** for the year must relate to amounts **incurred** in the year.

If your subscription year for medical insurance (VHI, Laya Healthcare, Aviva Health, etc.) does not coincide with the tax year you may submit Form Med 1 for the subscription year. However, claims for subsequent tax years must also be based on your subscription year.

## **Calculation of relief**

Relief due for Nursing Home fees is granted at your highest rate of Income Tax. From 1 January 2009 relief for all other expenses is granted at the standard rate of Income Tax.

## **Where to send your claim form**

Completed claim forms should be sent to your Revenue office. Use any envelope and write 'FREEPOST' above the address.

## **Can I have my claim dealt with in a different Revenue office for confidentiality reasons?**

Yes, if you do not wish your local Revenue office to know the nature of your medical condition you have the option of having the claim examined by a Revenue office other than your local Revenue office. Please submit your claim in a separate sealed envelope attaching your request clearly stating that for reasons of confidentiality you wish to have the claim processed in a different office. Your local Revenue office will refer the claim to the appropriate area and advise you of the contact details for your records. Alternatively, you may call in person to any of Revenue's information offices, details available at [www.revenue.ie](http://www.revenue.ie) and request the case be processed in an area other than your local area.

## **Penalties**

Any person who knowingly makes a false statement for the purpose of obtaining a repayment of Income Tax is liable to heavy penalties.

## **Time Limit**

A claim for tax relief must be made within 4 years after the end of the tax year to which the claim relates.
