

Getting Help

When you choose a Chartered Physiotherapist in Occupational Health & Ergonomics you can have the peace of mind in knowing that you are being treated by a Physiotherapist who has a university degree qualification and is committed to the highest standards of ethical and clinical excellence.

General Information

Chartered Physiotherapists work in hospitals and in the community where treatment is covered under the public health service. They also work in private practice and can be contacted through the professional body, or through the Golden Pages.

Chartered Physiotherapy fees can be claimed back through VHI, QUINN-healthcare and Aviva Health. Tax relief may be claimed by filling in the Med1 form available from the Revenue Commissioners at www.revenue.ie.
